Mr. Frederick G. Patterson
127 Pebblebrook Lane
Troy, IL 62294

Dear Mr. Patterson:

This letter is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2018-001121), dated April 29, 2018, in which you requested the following:

"On 08/26/2014 I was struck by a GSA fleet vehicle, a 2009 Jeep Grand Cherokee, and I was told it was involved in another accident which is troubling because I have spinal injuries and disabled as a k9 Handler because of it."

You further elaborated, via email correspondence on May 23, 2018:

"Thank you for the opportunity to explain further. I would like to locate the vehicle to make certain it is safe. The whereabouts of the 2009 Jeep grand Cherokee that struck me on 08/26/2014 bearing the serial number of 1J8HR48P09C552720 is what I seek at this time. Is it still within your fleet and if so who would be the point of contact to have it inspected?"

In response to your inquiry, GSA Fleet no longer has this vehicle within our fleet. It was sold out of service on August 2, 2016.

This completes our action on this FOIA request. Should you have further questions, please feel free to contact Ms. Laura Farley, Management and Program Analyst at 703-605-5517 or by email at laura.farley@gsa.gov. You may also contact the GSA FOIA Public Liaison, Ms. Audrey Brooks at 202-205-5912 or by email at audrey.brooks@gsa.gov for any additional assistance and to discuss any aspect of your FOIA request.

Sincerely,

Travis S. Lewis
